It's Time to Heal

May 2019

Special Event for Women at The Healing House

We will be having a wonderful day for women to gather and connect at The Healing House on Sunday the 19th of May 2019. This will be the 24th consecutive year that Gill has connected with this very special day that is a world-wide event.

You are more than welcome to join me for a day of ceremony and consciousness.

Wesak is traditionally a celebration of the Buddha's birthday. With peace being one of the ideals that Buddha taught it is the perfect day to connect with like-minded people all over our planet who will also gather on this day with a focus on peace, love, light and healing.

We will all be celebrating the wonders of experiencing life upon our planet. As a collective consciousness we can enhance and embrace love, peace and respect for Mother Earth and all whose Life-Force she supports.

Personal Appointments with Gill

Gill is available for personal appointments in both **Geelong** and **Melbourne**.

Often we would like things to be different for us, yet, we are afraid of change, or don't know where to turn for guidance and support. Reiki Master Healings can be the circuit breaker of the cycle of survival. Reiki Master Healings with Gill can gently open the door to living and connecting with you, your purpose, and yourself.

"For things to change for us, we must allow change."

Reiki healings are an opportunity for change with love.

The stress of living can create tension and energy blocks to the natural and normal flow of our energy.

Receiving regular Reiki Healings creates the opportunity for your emotional, mental, spiritual, and physical self to remember what it is like to be in a state of balance, peace, and harmony. This remembering creates a motivation within us to flow more easily through life rather than in a state of stress.

Reiki creates the unique opportunity for deep harmony, centeredness, wellbeing, clarity, and balance.

Give Gill a call on 0407 561 607 to arrange an appointment for yourself and enjoy the experience of receiving a Reiki Master Healing.

Consolidate your Reiki Skills

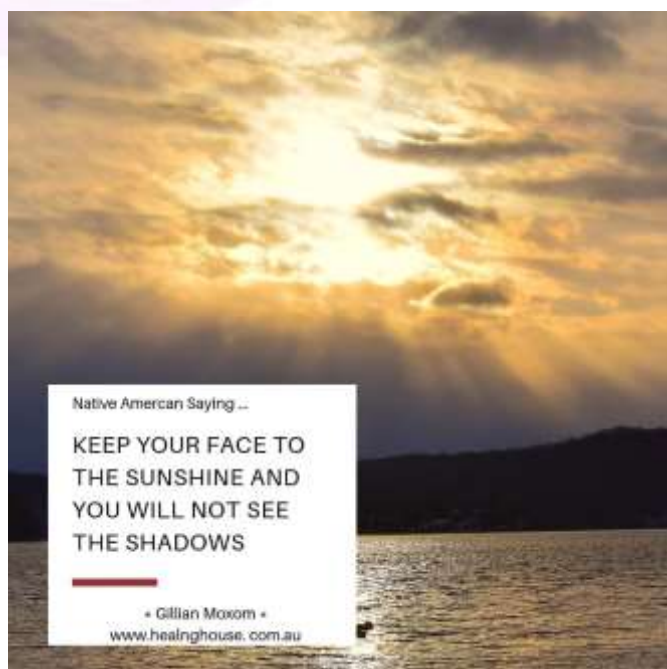

If you have learnt Reiki With Gill, you are welcome to attend any Reiki Workshop at The Healing House up to your Reiki knowledge and experience. You will have the opportunity to consolidate your skills and understandings of Reiki and offer support to Gill and participants. You may also have the opportunity to receive Reiki healing

- a willingness to be of service,
- a willingness to receive healings and
- a willingness to expand your skills
- a willingness to be at the workshop for the full day or days you choose,

Assisting is a wonderful way to stay connected to Reiki and your healing skills. You will have the opportunity to revisit the information about Reiki, healing and expand your knowledge base

She Awakens

by Gillian Moxom

Written in 1997

Within me is a heart of love
That beats so strong and true
It is the woman there within me
The woman I've hidden from my view

She's the me that I've been looking for
Her beauty to behold
Her strength and gentle kindness
Her love waiting to unfold

I have hidden from this woman,
Afraid of what I'd see
Fearful of her presence
Uncertain of who the woman might be

She's been there deep within me
So lovely and serene
With love and gentle kindness
Waiting calmly, yet wanting to be seen

I've hidden from her beauty
Drawing on will to get me by
I've grown without her loving contact
.... that woman that is I.

As I travel from existing
To living in it's truest form
I feel her now, she's growing
She is me. She is beauty, I am born

The time of walking slowly,
With doubt behind each step
Has passed for me, I feel it
She is the one who gives me strength

She has always been there with me
For every step along the way
The beautiful and the brilliant
Comforting me each day

Yes, I do love being a woman
I love my very form
I love my gorgeous spirit
My heart that is her home

I love my inner knowing
I love my gentle touch
I love my peaceful nature
I'm learning to love me now, so very much.

I am grateful for this journey
Every step along the way
I am willing to embrace all of me
I walk now as the woman, I am,
tall, proud, and strong, each day.
