It's Time to Heal

March 2021

For most of 2020 during the height of the pandemic, many of us were pretty well restricted to the confines of our homes. It was a confusing and unsettling time of uncertainty for many. My heart goes out to all who have suffered with the experience.

I acknowledge and express gratitude to the courageous front-line workers who did all they could to support us through this most unusual time in our lives. I truly applaud and admire the skills they have demonstrated and the guidance they have offered to us towards a safe pathway with our "new normal" of way "living with Covid- 19."

Unfortunately, Covid-19 has had a devastating impact on The Healing House. It can no longer be as it was.

With a desire to adapt to the changes required, I am now content with the shifts and changes within The Healing House and my personal life ... and I sincerely apologise for any inconvenience that these changes may cause you.

I am now unable to offer many of the services that I had available Pre-Covid ... however, thanks to Zoom, other Reiki Healing Services have evolved.

Many clients from both Melbourne and Geelong are embracing the new technology and opportunity it is offering us to continue with Appointments when we can't be together "in-person".

One significant change is that I unfortunately, can no longer travel to Ivanhoe for Personal Reiki Healing Appointments and other Services and Gatherings. Fortunately Zoom and Phone Call Consultations along with Distance Reiki Healings offer the opportunity to continue to offer Reiki Healing and Meditation support.

It's Time to Heal

Words of Ancient Wisdom

An old Cherokee told his grandson,

"My son, there is a battle between two wolves
inside us all. One is Evil. It is anger, jealousy, greed,
resentment, inferiority, lies & ego.

The other is Good. It is joy, peace, love, hope,
humility, kindness, empathy & truth."

The boy thought about it, and asked.....

"Grandfather, which wolf wins?"

The old man quietly replied, "**The one you feed...**"

Personal Appointments at The Healing House

Gillian Moxom is available for personal appointments where you will have the opportunity to receive a Reiki Master Healing.

Gill is available for appointments in Geelong

Reiki Master Healings can gently open the door to living and connecting with you, your purpose, and yourself.

*“For things to change for me,
I must allow change.”*

Reiki healings are an opportunity for change with love.

Often, we would like things to be different for us, yet we are afraid of change, or don't know where to turn for guidance and support.

Reiki Master Healings can be the circuit breaker of the cycle of survival.

The stress of living can create tension and energy blocks to the natural and normal flow of our energy.

Receiving regular Reiki Healings creates the opportunity for your emotional, mental, spiritual, and physical self to remember what it is like to be in a state of balance, peace, and harmony. This remembering creates a motivation within us to flow more easily through life rather than in a state of stress.

Reiki creates the unique opportunity for deep personal harmony, centeredness, wellbeing, clarity and balance.

I now choose the Freedom to be me!

One of the greatest challenges in life is to feel safe enough to stand proudly within our unique personal empowerment and expression.

As we journey through life, we unconsciously develop perceptions in the way we see ourselves and therefore the way we perceive life itself. Experiences we have influence our relationship with ourselves. Often a fear of being rejected affects the way we interact with others and ourselves.

Many of us swallow our uniqueness and behave as we think others would like us to. We often adapt and adopt beliefs and behaviours at the expense of our true selves.

As we heal with Reiki, we learn that it is safe to choose the freedom to connect with, and express our unique individuality within each day.

Consolidate your Reiki Skills at Reiki Workshops

If you have learnt Reiki with Gill, you are welcome to come along to Reiki Workshops at The Healing House up to your own Reiki Workshop experience.

All you need is ...

a willingness to be of service and support attending the workshop

a willingness to be at the workshop for the full day or days you choose,

a willingness to receive Reiki healings and

a willingness to expand your skills.

Consolidation of your skills at Reiki Workshops is a wonderful way to stay connected to Reiki and your healing skills. You will have the opportunity to revisit the information about Reiki, healing and expand your knowledge base and it's fun
